

# Lattice

A 3D wireframe box is superimposed over the word "Lattice". The word is written in a blue, rounded, sans-serif font. The box is a simple rectangular prism with black outlines. Lines connect the top edge of the box to the top of the letters, and the bottom edge to the bottom of the letters, creating a perspective effect. The box is tilted slightly to the right. The letters "L", "a", "t", "t", "i", "c", and "e" are positioned within the box's volume.
